Discussion

Several members have expressed concerns about the status/plan for administrators reporting to the building, especially for the next two weeks during the projected peak for COVID 19. Some members are either in the at-risk group themselves, or have family members living at home that meet that criteria. President will call the Superintendent today to let him know our concerns and get clarification on when members need to report to the building, under what circumstances, and when they can stay home. Will follow up with individuals to discuss further and address concerns. The union will defend members on this issue.

Meeting adjourned @ 3:30. Next Executive Board meeting scheduled for May 04 @ 2:00 PM.

Respectfully submitted by Nelson Rivera, AFSA Secretary
