Exploring the idea of an identified workday. Could comp time be reintroduced for predetermined hours in exchange for working events outside the normal workday?

Vice President's report

Look for ways to reach members who are out for extended medical leave. Ways to acknowledge them on behalf of the members.

Negotiation meeting discussed SEBAC (overview) and the goal to strengthen language. Goals include providing recommendations to President for future negotiations.

Social event being planned. Possibly a Yard Goats game for members and their families.

Treasurer's report

Will explore getting a debit card for functions and other union business to expedite the process and avoid the need to reimburse members.

Meeting adjourned @ 3:30. Next Executive Board meeting scheduled for March 9th @ 2:00 PM.
