Discussion

Flow chart requested for Tuition reimbursement by Javette. Bob will follow up with Tonya who has already started the process.

Bob is visiting schools to meet with members and will continue this practice

Suggestion to form a research and draft committee for contract negotiations.

Question raised about Troopers who have days off, are their subs for the troopers? Appears to be different across schools depending on the SRO.

Will try a morning meeting on the next AP meeting day, instead of the current 2:00 start time.

Roundtable

Meeting adjourned. Next Executive Board meeting scheduled for December 17th @ 8:00 AM.

Respectfully submitted by Nelson Rivera, AFSA Secretary
