

## AFSA Lateral Transfer Request

In accordance with Article 18 of the Administrators' Collective Bargaining Agreement, please forward your written request of interest to laterally transfer to any other school(s) within CTECS.

As in years past, the transfer request is just that, a request. Transfers are not guaranteed. Only lateral transfers, AP to AP, Principal to Principal positions, will be considered. Please be reminded that future transfer opportunities may occur so therefore, you should include your interest in all locations, whether or not there is a current vacancy.

Superintendent Wihbey will carefully consider all requests received. However, the ultimate decision on any transfers will be based upon the operational and educational needs of our schools.

Please submit your request(s) to [Ronke.Stallings@cttech.org](mailto:Ronke.Stallings@cttech.org) by the close of business on **Monday, May 17, 2021.**
